**GAMA** jest to system regałów i lad dający możliwość szybkiej zmiany wyglądu wyposażanego wnętrza. Dzięki zastosowaniu blatów odpornych na ścieranie i konstrukcji przystosowanej do przenoszenia dużych obciążeń, są to produkty o wyjątkowo długiej żywotności. Meble są sprzedawane w paczkach do samodzielnego montażu.

**GAMA** is our retail furniture system that offers endless possibilities to redesign your retail store interior in a short time. All the components of the GAMA system are made from high quality materials, they are extraordinarily durable and can be arranged in many different configurations. The furniture is sold as self-assembly packages.
